I understand that there are certain risks associated with play. Animals who have individual play or are housed together may experience muscle soreness, nips, bites or fighting. I understand the risks involved and agree to be responsible for all vet charges that may occur during my pet(s) boarding stay or as a result of my pet(s) boarding stay. I have made Fullwood Animal Hospital aware of any special needs that my pet(s) may have. I also understand that foreseen and unforeseen medical issues can arise while my pet is boarding and I am fully responsible for all costs associated with any medical issues that may arise. I am also aware that while very effective, vaccines do not protect against all possible organisms that my pet may come in contact with. For this reason, I will not hold Fullwood Animal Hospital responsible for any occurrences of socially transmitted or airborne illnesses. I understand that payment is due in full at the time of check out. I agree that if my account should go into collections, I will be responsible for all costs.
